Chevy Chase, Maryland

Two Open Houses

at the

**Wohlfarth Property
5409 Grove Street**

10:00 a.m. through 11:00 a.m.

Friday, December 7 and Saturday, December 8, 2007

The Chevy Chase Village Board of Managers has arranged for two open houses to be held at the Wohlfarth Property located at 5409 Grove Street. The property, which is located west of Kirkside Drive between Grove Street and Western Avenue, was purchased in partnership with Montgomery County through the County's Legacy Open Space Program.

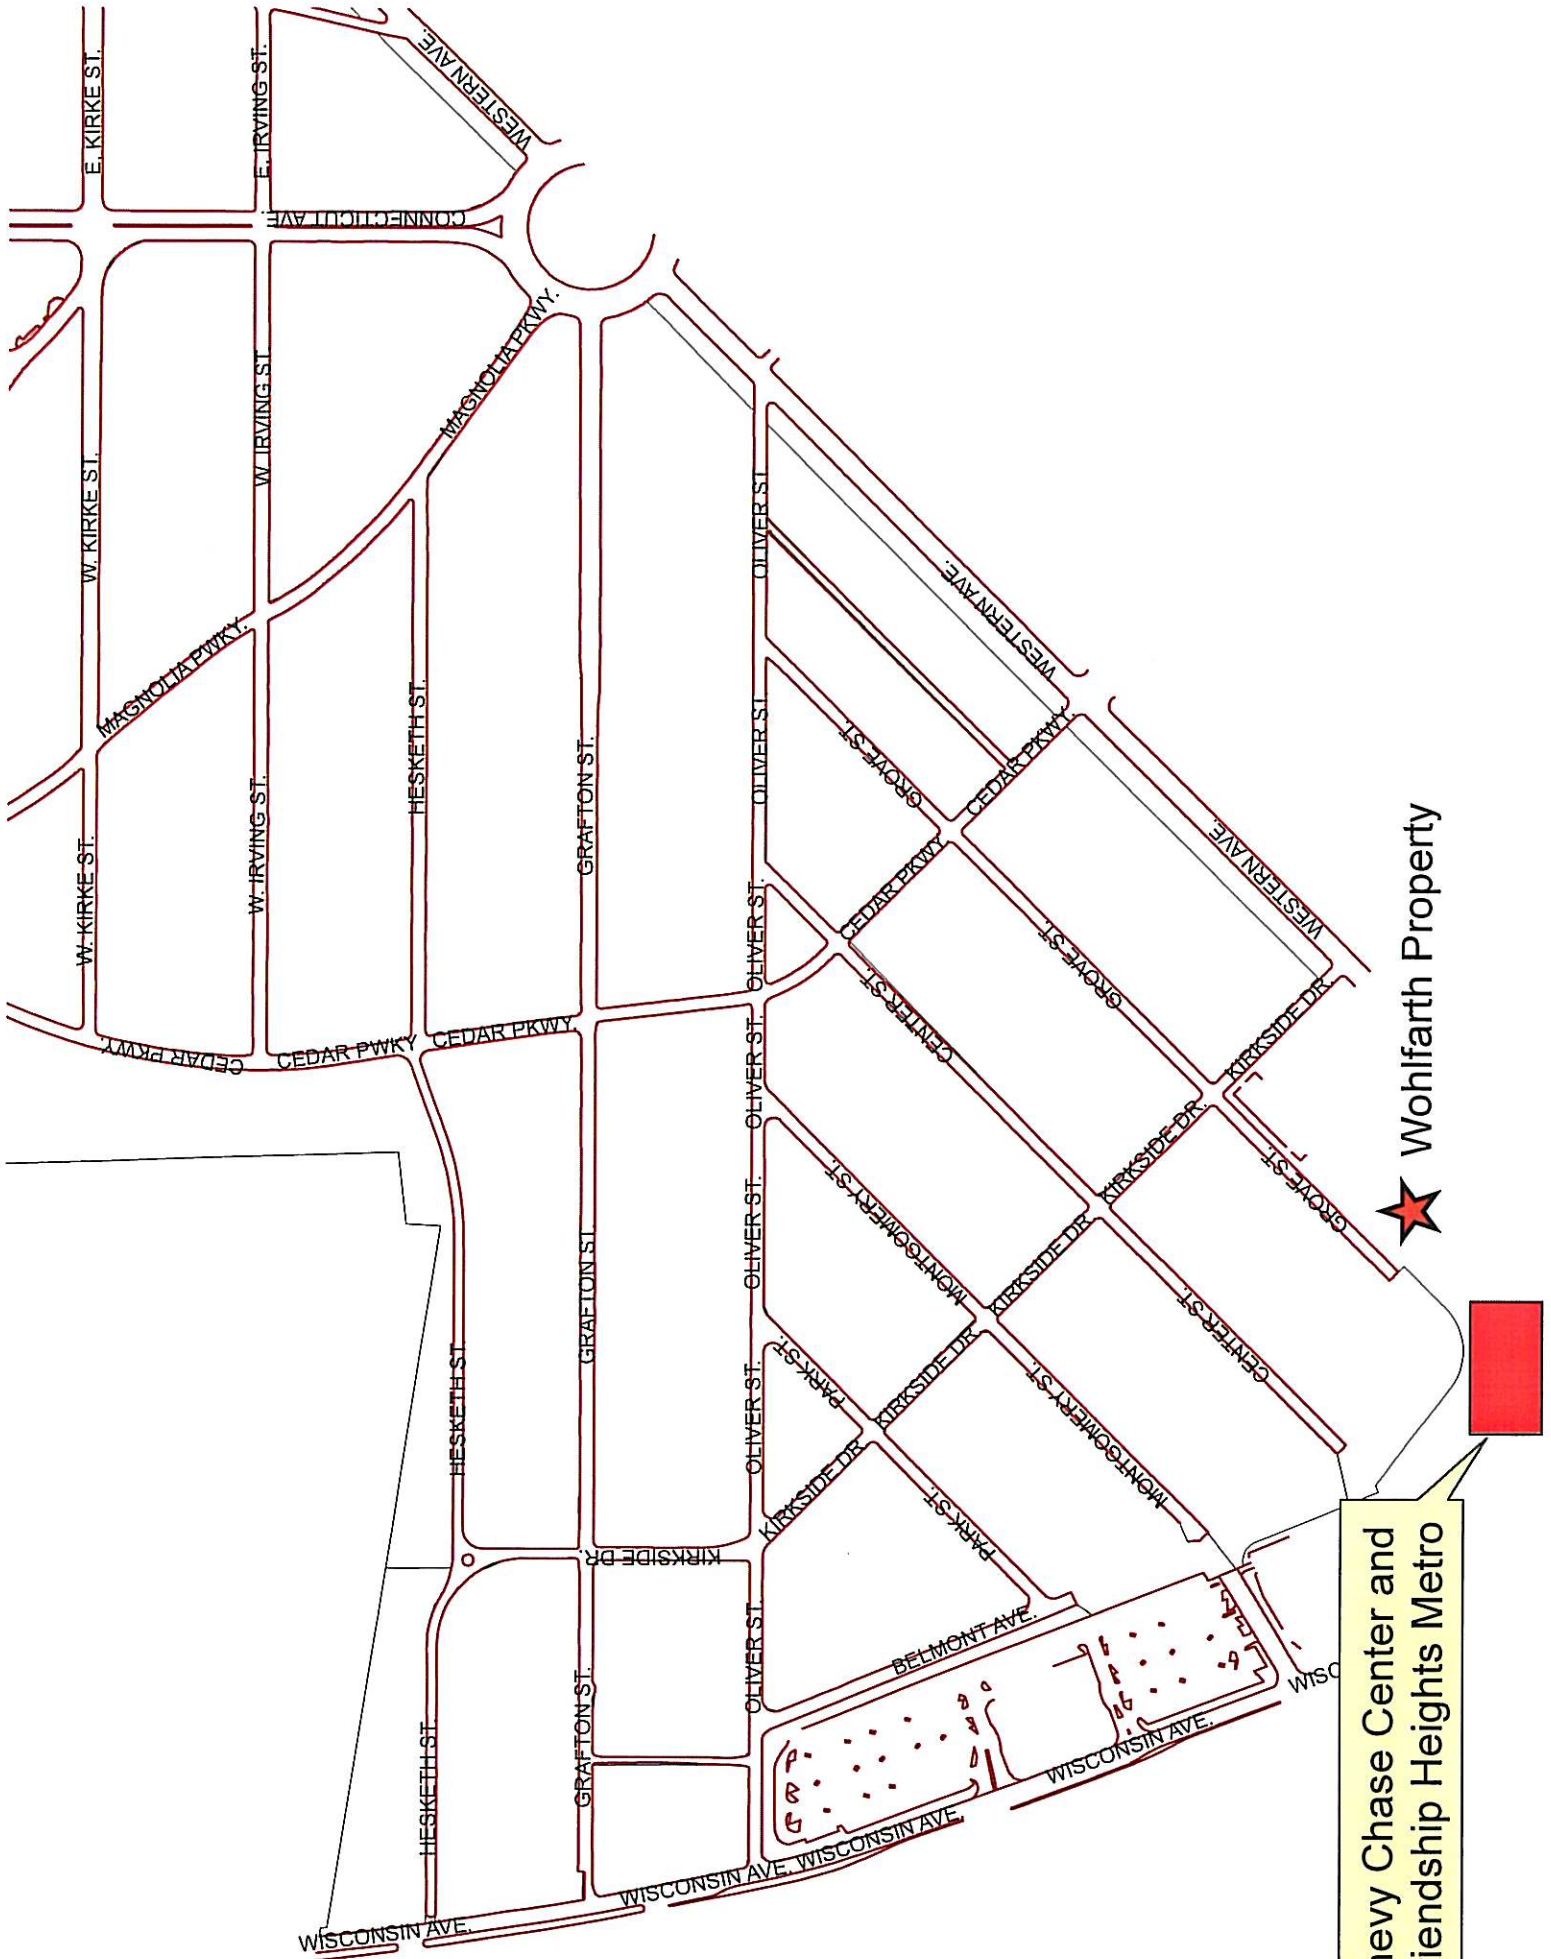

At its regular meeting on December 10, 2007, the Board of Managers will consider annexation of the property into the Village, pursuant to the 2002 Memorandum of Understanding between Montgomery County and Chevy Chase Village. Opening the house will allow residents to view both the structure and grounds so that residents can continue to provide informed input on eventual uses for the site.

Until recently, the property was maintained as a private residence. Due to parking constraints on the property and in the vicinity, residents are highly encouraged to walk or carpool. **No parking will be available on the property itself.** Visitors who drive should (legally) park on the surrounding streets, including, but not limited to, Western Avenue, Grove Street and Kirkside Drive. Drivers are also encouraged to be courteous to nearby residents when selecting parking spaces.

All residents are welcome to come through during these two Open Houses. If you have questions or would like to receive additional information regarding the history of this property, please see the Wohlfarth Property page under Important Topics on the Village website, or you may contact the Village office at the email address and phone number provided below.

Please see the reverse for a map showing the location of the house.
